General Meeting Agenda:

Opening Meeting: Bob Duerr / President

Treasurers Report: Tom Kerrigan Current Balance – 4,200.00 +/-

Tom has listed all deposits and payables for easier review by the accountant which should result in lower cost for the club. We have deposited 14K this year so Tom will confer with accountant on the additional forms required.

The Classic – there will be a detailed review to consider the areas where we over spent and where we can consolidate. The club did buy a new PA system this year. Larry and Tom will review and present findings next meeting and we may determine the recipient of a monetary donation at that time.

The 2016 Manasquan Classic Longboard Contest - REVIEW

The Classic was again blessed with great beach conditions.

Tom Kerrigan – cost overview

The attendance (80 contestants) was well below expected.

Reasons sighted: Conflict with ESA's

Saturday positioning (work conflicts)

Terrorist activities in Ocean County

Due to the low turnout, our net profit was impacted but we still did well.

Discussion on the post contest costs and the "open bar" tab to which a couple of BOD members were opposed to. Issue was not being informed of the consensus vote carried over from the last contest party where an open tab covered the drinks. Larry did detail that R&B worked with us and cut the cost by half of quoted price.

Thanks to Larry
As above

Need nominees for charitable donations: To be determined at the next meeting.

Manasquan Recreation

Manasquan Elks

Manasquan EMS

Sponsorship letters with T-Shirt and print going out next week.

Revising the letter now

Volunteer Letters to ??? – Tom resent the 4 ladies info. Letters went out 10/23

ESM / Coast Star Press mentions.

Next year is the 25th Annual – a "quarter century of fun" – other names??? None offered

Need to consider our tactics going into 2017.

Next year September 16th / 17th has low tide at near the noontime hour.

September 16th is the agreed upon date.

Conflicts: Point Pleasant Seafood Festival / ESA's

Suggestions:

1) Memberships – anyone who enters is a member.

Memberships can be sold at the MBRC information table under the main tent. **Tabled**

2) Post contest party –

Have it under the big tent directly after the awards ceremony. (Catered and BYOB) **Tabled**

Discussion circled around the fact that everyone's exhausted by the time they get home and showered. Having to go too far results in losing people. If we have it at the beach (catered) people may bring their own libation - control the consumption. OR reconsider Mikes at the Inlet. The Fisherman's Cove Bait House was submitted – it's a county park and would not work. This item was tabled for next meeting.

3) Support the sponsors –

We need to boost the sponsors better – Announcements / participation **Missed this**

4) 25th Annual Raffles – WILL HAPPEN.

(did not run this year due to lack of numbers) **BD will handle**

5) Divisions – OK / Change? **Discussion of the pre-1978 (Transition) division – tabled for next meeting – (Fish Fry / Retro)**

LOYF PROGRAM – Chris Robinson; Director

Off-season effort – time to follow up (stencils)

Larry & Chris – wait until the elections are over and the new council is sworn in. Hopefully our connections will still be in place.

Install new signage (Chris)

All materials (need longer bolts) were given to Chris

Garbage Can placement and maintenance.

Larry and Chris were going to reach out to see what the issue was in placing the cans back at the beach.

Note : SEA has requested that the MBRC put together a proposal for producing 10 kits for offering to seaside towns – no charge.

SEA will cover all expenses. (They made 300K on the NYSEA Paddle)

Chris and Bob were going to get together and complete the proposal based on needs of immediate towns. (Point / Spring Lake / Seaside)

NEED someone to finalize what MBRC is doing as a “Thank You” to Manasquan Bank. **Scott McKay was supposed to take picture – no word on that - Bruce Chrisner has offered the magazine shot featured in a few publications as an option – Agreed. Bruce was going to see about high quality print and getting it mounted. Chris Rooney will be updated.**

The MBRC Meeting Schedule for 2016 is on Thursday evening as follows:
